- 7 programmes
- 92 practical topics
- ~9 hours to certification
- Self-paced, on any device
- Team seats from $12 per month

WHO IT IS FOR

Built for every role on the shop floor.

Sales staff and associates

Confident, pressure-free fitting conversations. Start with Foundations, then Master the Floor.

Supervisors and store managers

Coach the standard daily and lift results. Start with Manager Academy.

Area and operations managers

One standard across every store and market. Team seats and the organisation dashboard.

Clinicians and podiatry teams

Grow clinic retail responsibly, within scope. Clinical Specialist pathway.

Owners and distributors

Turn scanner and product investments into results. Certified Fit Specialist.

New starters

A clear first step with a free introduction module.

How it works

1. Learn online

Short practical topics with real store scenarios, on any phone or computer.

2. Practise and check

Practice tasks and a knowledge check in every topic. Stage assessments award badges.

3. Get certified

Final exam (24 of 30 to pass) and a recorded roleplay for the Certified Fit Specialist credential.

About the certificate

Issued by BrightPath Academy, part of BrightPath Global. The Certified Fit Specialist is a professional industry credential that shows assessed, practical skill. It is not a government-accredited or university qualification. Every certificate carries a unique credential ID (BP-CFS-XXXX) that employers can verify with us, and badges can be shared on LinkedIn.
